Dear Commissioners,

I have really enjoyed being a part of this amazing community and have appreciated the opportunity to volunteer my time to help Edgewood become great. I would especially enjoy becoming more of a vital role with my desire to join the Parks and Recreation Committee at this time.

I am confident that the ample amount of skills and knowledge I possess will ensure successful programs in our future. I have devoted many years in the fields of community involvement, families and children and am very motivated to share my time, talents and skills with the town of Edgewood.

I look forward in helping build high-quality park and recreation programs, activities and services that meet the needs of the active lifestyle of our community members. With new ideas and resources, our town's vision and goals can become a reality.

Listed below are several qualifications that demonstrate the assets that you are looking for.

- * Phenomenal coordinating and logistics skills, organizing and analyzing micro details to solve problems
- * Motivated, goal oriented and a driven self starter
- * Exceptional team player and outstanding interpersonal skills
- * Superb leadership, management and administration skills
- * Proven ability to successfully bring neighbors, families and children together to strengthen the community as a whole

Thank you for your consideration.

Sincerely,

Allison M. Apple

To Whom It May Concern,

I am interested in serving on the Town of Edgewood Parks & Recreation Committee as an alternate member. Due to my interest in and experience with equine and canine activities, I believe I would be a good fit for the role.

Over the last several years, I have grown my small business as an equine and canine photographer. During this time, I've become more and more interested in local open spaces that are available for use by horse and dog owners. I also spent 15 years in the veterinary field, so I am very aware of the risks of having a variety of animals in public spaces. Still, as the owner of dogs and horses myself, I feel strongly about advocating for safe use of public spaces for everyone.

I bought my home in Edgewood and moved here from the Santa Fe area in 2018, and in the next 18 months or so, I was excited to see and participate in several local events. Since COVID, it seems many of those events have been derailed by COVID. While I feel it is important to support young families and kids in my community, I am a child-free 30-something and would love to see more activities geared toward adults as well.

I appreciate your consideration of my interest to serve my community in this role. I hope to help Edgewood become a more active and inclusive community so that we can foster healthy growth to support current and future residents.

Sincerely,
Lauren Aston
